Notice that all contract sets of bidding documents in preparing bids, neither the Owner nor Architect assumes responsibility for errors or misrepresentations resulting from the use of incomplete or preliminary sets of Bidding Documents. The intent of the Contract Documents is to include all items necessary for the proper execution and completion of the work by the Contractor. The Contract Documents are complementary, and what is required by one shall be as binding as if required by all; performance by the Contractor shall be required only to the extent consistent with the Contract Documents and reasonably inferable from them as being necessary to produce the intended results.
