by Artist Moris Lustgarten**

Hollywood, FL – The ArtsPark at Young Circle Gallery will open a unique exhibition “AbstractArt” featuring artist Moris Lustgarten on Thursday, January 14, 2016 that will be on display until Friday, February 26, 2016. An artist’s reception is planned for Saturday, January 16 from 6:00 p.m. until 10:00 p.m. at the Gallery. Admission is free and open to the public.

Lustgarten is known as a multiphasic artist who works on acrylic and mix media paintings over canvas, Plexiglas, plaster and acrylic gesso. Lustgarten’s abstract art uses shape and lines to create compositions that alter color and form. The artist introduces geometric and lyrical abstraction that bears no trace to anything recognizable, his work represents his inner persona.

Moris Lustgarten was born in Venezuela, South America. Lustgarten mingled painting his abstract projects with his profession as an architect. In 1989 he decided to open his art to the world.
