### ***Hollywood Fire Rescue Department Responds to Construction Accident***

HOLLYWOOD, FL – Hollywood Fire Rescue responded to a construction related accident at 4111 S. Ocean Drive at approximately 1:30 p.m. today. Scaffolding had collapsed from 40 feet up along the side of the Hyde Resort and Residences under construction on Hollywood Beach. Three individuals on the scaffolding were painting a large-scale mural on the façade of the building. Two victims were transported as a trauma alert to Memorial Regional Hospital, one person was pronounced dead and the other is in serious condition. A third individual was suspended by a safety harness and was treated on the scene for minor injuries.

Hollywood Fire Inspectors and Hollywood Police responded to the incident to investigate. OSHA officials are now on scene and are handling the investigation.
