Police Athletic League (PAL)

Celebrates Opening of New Computer Lab

Meet Former and Current PAL Kids Benefiting From Program

Date: Thursday, June 1, 2017, 5 p.m. – 7 p.m.

Location: 2311 N. 23 Avenue, Hollywood, FL 33020

The Hollywood Police Athletic League, in partnership with South Florida Digital Alliance and Memorial Healthcare Systems, is helping children succeed by providing them with access to information technology with a new computer lab that includes ten desktop computers. This will benefit the more than 200 children who utilize PAL's facilities and the many youth programs and workshops.

The Hollywood Police Athletic League (PAL) was created by a Hollywood Police Detective in 1990 out of the trunk of a car. Now it is run across from Boggs Field, a former training field for the New York Yankees. But no matter where it's been housed, it's always served the same purpose:

- Prevent juvenile crime and drug use.
- Provide positive role models for our youth.
- Develop discipline, self-esteem and positive moral values through wholesome competition.
- To create better relations through Communication between Law Enforcement Officers and the youth of our community.

Join us on Thursday, June 1, 2017 from 5 p.m. until 7 p.m., for the computer lab unveiling.
