**VERIFICATION OF ELIGIBILITY FOR CERTAIN DEPENDENT CHILDREN**

The limiting age and satisfaction requirements for a dependent child is set forth in the contract issued to your employer by Blue Cross & Blue Shield of Florida, Inc. or Health Options, Inc. (BCBSF/HOI). In the event a claim is denied, it is the insured/member's sole responsibility to establish that the child(ren) meets the applicable requirements for continued eligibility. **Additionally, BCBSF/HOI may request documentation to ensure that a child meets and continues to meet such requirements.** This eligibility provision does not modify any other eligibility requirements. (Please refer to your *Certificate of Coverage* or *Member Handbook* for more information.)

A dependent child may be allowed to remain covered provided the child meets the following requirements:

**The child is dependent upon the certificateholder for support; AND**

- The child is living in the household of the certificateholder, and/or
- The child is a full time or part-time student (you must refer to your *Certificate of Coverage* or *Member Handbook* for group specific student status criteria)

Please note, the child(ren) **must** be dependent upon the certificateholder for support and meet all the criteria specified in the group contract as described in your *Certificate of Coverage* or *Member Handbook*. If the dependent child(ren) fails to meet these requirements, the eligibility will terminate.
