# Welcome to Blue Cross and Blue Shield of Florida's Family

## Health Care Coverage Plans

Thank you for selecting a Blue Cross and Blue Shield of Florida (BCBSF) PPO plan. The information on the next few pages will help you understand key features of your PPO coverage.

At Blue Cross and Blue Shield of Florida, we've designed our PPO plans to provide you with access to a wide variety of health care providers. To take full advantage of your PPO coverage and benefits, always use the services of providers who are part of the PPO Network whenever you need medical attention.

Even though your PPO coverage offers you the freedom to select any provider, you can lower your out-of-pocket costs if you use providers who are part of the PPO Network. Please keep this directory nearby for easy reference when you need to select a PPO provider for medical care, or access our website at [www.bcbsfl.com](http://www.bcbsfl.com) for the most up-to-date listing of PPO (PPC) providers.

Before selecting your PPO provider, please refer to your Schedule of Benefits for specific details on how to maximize your coverage and lower your out-of-pocket costs. This directory is not part of your PPO contract. Always refer to your Certificate of Coverage or Contract, including the Schedule of Benefits for a full description of your health care coverage, benefits, exclusions, and limitations.

## Planes de Cobertura para el Cuidado de la Salud

Le agradecemos haber elegido un plan PPO de Blue Cross and Blue Shield of Florida (BCBSF). La información que aparece en las siguientes páginas le servirá para entender las principales características de cobertura de su plan PPO.

Los planes PPO de Blue Cross and Blue Shield of Florida están diseñados de manera que usted pueda tener acceso a una gran variedad de proveedores de cuidados de la salud. Para beneficiarse al máximo de la cobertura y de los beneficios de su plan PPO, cuando necesite atención médica utilice siempre los servicios de los proveedores participantes en la red PPO.

Aunque la cobertura de su plan PPO le da la libertad de elegir a cualquier proveedor, usted puede disminuir los costos que paga de su propio bolsillo si utiliza los proveedores participantes en la red PPO. Tenga a mano este directorio para que pueda consultarlo fácilmente cuando necesite elegir un proveedor de cuidados de la salud del plan PPO, o visite nuestra página de Internet [www.bcbsfl.com](http://www.bcbsfl.com) para obtener el listado más actualizado de los proveedores del plan PPO (PPC).

Antes de elegir su proveedor PPO, por favor consulte el Anexo de Beneficios para obtener información específica sobre la forma de maximizar su cobertura y disminuir los gastos que usted cubre de su propio bolsillo. Este directorio no hace parte de su contrato PPO. Consulte siempre su Certificado de Cobertura o el Contrato, incluyendo el Anexo de Beneficios, para obtener una descripción completa de su cobertura, beneficios, exclusiones y limitaciones en este plan de cuidado de la salud.

# How to Use Your PPO Health Care Plan

## Carry Your BCBSF ID Card With You

Please carry your current card with you at all times: Your BCBSF ID Card identifies you as a PPO subscriber, and providers will request to see this card prior to rendering services.

In many cases, your deductible, coinsurance, and/or copayment amounts are indicated on your card. For information about covered services, refer to your Certificate of Coverage or Contract, including the Schedule of Benefits.

**In the event you lose your BCBSF ID Card**, call the toll-free number in your Certificate of Coverage Contract for assistance.

## BlueCard® Program

With BCBSF's PPO Coverage, you have the peace of mind knowing that you're covered no matter where you go in the United States. A special national program of the Blue Cross and Blue Shield Association called the BlueCard Program puts you in touch with the BlueCard PPO providers and hospitals in other states where available.

Just call 1-800-810-BLUE (2583) for the name of a Blue Card participating provider. You won't have any claims to file—simply pay the appropriate deductible, copayment or coinsurance at the time of service.

## Selecting a PPO Network Provider

The health care providers listed in this directory are part of BCBSF's PPO (including PPC) Network. **This directory contains the most current information available at the time of printing. However, please be aware that the PPO Network is subject to change at any time without notice.**

In this introduction, the names PPO and PPC refer to the same network of providers. PPO (PPC) providers are independent medical professionals or facilities that have contracted with Blue Cross and Blue Shield of Florida to provide medical services for you.

For your convenience, the index in the back of the directory is an alphabetical listing, by name, of all PPO (PPC) providers and includes the page(s) on which they appear.

When you select a provider, or you are referred to another provider, always make certain that he or she is part of the PPO network before you receive medical care. **If you visit a provider who is not part of the PPO (PPC) Network, you will be responsible for higher out-of-pocket costs.**

To verify if a provider is participating in the PPO network, you may call the customer service toll-free number located on your BCBSF ID Card or access our website at [www.bcbsfl.com](http://www.bcbsfl.com).

## Visiting Your PPO Provider

Whenever you visit a PPO provider, present your BCBSF ID Card, which will identify you as a BCBSF PPO insured. The first time you visit the provider's office, you may be asked to sign a form to "assign benefits." This will help the provider's staff verify your eligibility, bill correctly, and file claims on your behalf for services provided to you.

As a customer, you will not have to file any claims--your PPO provider will file claims for services rendered. PPO providers will not bill you for more than Blue Cross and Blue Shield of Florida's PPO allowance for covered services. We will pay the provider directly. You should only pay the applicable deductible(s), coinsurance or copayments required for covered services. You will also be responsible for any services and supplies not covered by your contract.

You should not receive a bill from a provider who is part of the PPO Network for any amount other than a deductible, coinsurance, copayment, or charges for services that are not covered.

Always refer to your Certificate of Coverage or Contract, including the Schedule of Benefits for detailed information about your plan.

# How to Use Your PPO Health Care Plan (Continued)

## **Providers Who Are Not Part of the PPO Network**

If you decide to use a provider who is not part of the PPO Network, you will have additional expenses that could significantly increase your out-of-pocket costs. The coinsurance percentage you pay will be higher. In addition, the provider may bill you for any charged amounts that exceed Blue Cross and Blue Shield of Florida's allowance.

Depending on the specific terms of coverage, you may be able to take advantage of BCBSF's Traditional Insurance Provider network/program. If a provider is not listed as a PPO provider in this directory, you may want to call the phone number listed on your ID card to determine if the provider is a Traditional program provider.

## **Hospital Admission Certification**

If you ever need hospital care, your doctor can arrange in-network hospital admission certification

with Blue Cross and Blue Shield of Florida, as well as coordinate your hospital stays and treatments.

Coordinating your care through your PPO provider and using PPO network hospitals will help you lower your out-of-pocket costs. If you go outside of the network for care be certain to first obtain hospital admission certification from BCBSF to avoid significant financial penalties.

## **We are here to help, whenever you have a question**

As your friends and neighbors here in Florida, we take pride in the level of customer service that we offer you, and we want to make sure you fully understand your coverage and benefits. If you have any questions or concerns about your eligibility, benefits, coverage, claims or any other matter, please call us at the toll-free number on your BCBSF ID Card.

# Important Notice Regarding Providers

## **BCBSF and Health Care Providers**

Neither BCBSF nor any of its officers, directors or employees provide Health Care Services to Insureds. Rather, BCBSF and such individuals make coverage and/or benefit decisions under this Contract. By accepting BCBSF coverage and/or benefits, Insureds agree that making such coverage and/or benefit decisions does not constitute the rendering of Health Care Services and that health care Providers rendering Health Care Services are not the employees or agents of BCBSF. **In this regard, BCBSF hereby expressly disclaims any agency relationship, actual or implied, with any Health Care Provider.** BCBSF does not, by virtue of making coverage, benefit, and payment decisions, exercise any control or direction over the medical judgment or clinical decisions of any Health Care Provider. Any decisions made by BCBSF concerning appropriateness of setting, or whether any service is Medically Necessary, shall be deemed to be made solely for purposes of determining whether such services are covered, and not for purposes of recommending any treatment or non-treatment.

## **Medical Decisions – Responsibility of an Insured’s Physician, Not BCBSF**

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for medical services or supplies, must be made solely by the Insured, the Insured’s family and the Insured’s treating Physician in accordance with the patient/physician relationship. It is possible that the Insured or the Insured’s treating Physician may conclude that a particular procedure is needed, appropriate, or desirable, even though such procedure may not be covered.

This directory is not a Certificate of Coverage or contract of insurance. For a complete description of the coverage, benefits, limitations, and exclusions applicable to you, please refer to your Certificate of Coverage or Contract.

# Cómo Utilizar su Plan PPO para el Cuidado de la Salud

## Tenga Siempre con Usted su Tarjeta de Asegurado de BCBSF

Por favor, lleve siempre su tarjeta actualizada: La tarjeta de asegurado de BCBSF lo identifica como suscriptor del plan PPO y los proveedores le pedirán que la presente antes de prestarle los servicios.

En muchos casos, en su tarjeta se indican los montos que usted debe pagar por concepto de deducible, coaseguro, y/o copago. Para obtener información acerca de los servicios cubiertos, consulte su Certificado de Cobertura o el Contrato, incluyendo el Anexo de Beneficios.

**En caso de pérdida de su tarjeta de asegurado de BCBSF**, para obtener ayuda comuníquese con el número de llamadas gratuitas que aparece en su Certificado de Cobertura.

## Programa BlueCard®

Con la cobertura del plan PPO de BCBSF, usted tiene la tranquilidad de saber que está amparado, en cualquier lugar de los Estados Unidos a donde vaya. Un programa nacional especial de Blue Cross and Blue Shield Association, denominado el Programa BlueCard, le permite ponerse en contacto con los proveedores y hospitales del plan PPO de BlueCard en aquellos estados donde esté disponible.

Para saber el nombre del proveedor participante de Blue Card todo lo que debe hacer es llamar al 1-800-810-BLUE (2583). Usted no tiene que presentar ninguna reclamación lo único que tiene que hacer al momento del servicio es pagar el deducible, copago o coaseguro correspondiente.

## Cómo Elegir un Proveedor de la Red PPO

Los proveedores de cuidados de la salud que aparecen en este directorio forman parte de la red PPO (incluyendo PPC) de BCBSF. **Este directorio contiene la información más actualizada de que se disponía al momento de su impresión. Sin embargo, tenga en cuenta que la red PPO está sujeta a cambios en cualquier momento, sin notificación previa.**

En esta introducción, los nombres PPO y PPC se refieren a la misma red de proveedores. Los proveedores PPO (PPC) son profesionales o centros de atención médica independientes que tienen un contrato con Blue Cross and Blue Shield of Florida para proveerle a usted servicios médicos.

Para su comodidad, el índice que aparece en la parte de atrás del directorio es un listado alfabético, por nombre, de todos los proveedores PPO (PPC) e incluye el(los) número(s) de la página(s) donde aparecen.

Cuando usted elija un proveedor o cuando sea referido a otro proveedor, asegúrese siempre, antes de recibir la atención médica, que ese proveedor forma parte de la red PPO. **Si consulta a un proveedor que no participa en la red PPO (PPC), usted será responsable del pago de gastos de bolsillo más altos.**

Para verificar si un proveedor es participante de la red PPO, puede llamar al número de llamadas gratuitas del departamento de servicio al cliente que aparece en su tarjeta de asegurado de BCBSF, o visitar nuestra página de Internet **[www.bcbsfl.com](http://www.bcbsfl.com)**.

## Visitas a su Proveedor del Plan PPO

Cada vez que usted consulte a un proveedor PPO, presente su tarjeta de asegurado de BCBSF, que lo identificará como asegurado del plan PPO de BCBSF. La primera vez que usted visite el consultorio del proveedor es posible que deba firmar un formulario para “asignar los beneficios”. Este formulario le servirá al personal del proveedor para verificar su elegibilidad, facturar correctamente y presentar en su nombre las reclamaciones por los servicios que le han sido prestados.

Como cliente, usted no tendrá que presentar ninguna reclamación — su proveedor PPO presentará las reclamaciones por los servicios prestados. Los proveedores PPO no le cobrarán por los servicios cubiertos, un monto superior al establecido por Blue Cross and Blue Shield of Florida para el PPO. Nosotros le pagaremos directamente al proveedor. Usted solamente paga los deducibles, coaseguros o copagos requeridos para los servicios cubiertos. Usted también deberá asumir el costo de cualquier servicio o suministro que no esté cubierto por su contrato.

Su proveedor participante en la red PPO, no le cobrará ninguna factura por montos diferentes al del deducible, coaseguro, copago o los servicios que no estén cubiertos.

Para obtener información detallada acerca de su plan, consulte siempre su Certificado de Cobertura o el Contrato, incluyendo el Anexo de Beneficios.

## Proveedores no Participantes en la Red PPO

Si elige un proveedor no participante en la red PPO (PPC), usted tendrá que pagar costos adicionales que aumentarán lo que usted paga de su propio bolsillo. El porcentaje que usted paga por concepto de coaseguro será más alto. Además, es posible que el proveedor le pase una factura por los cargos que excedan el valor establecido por Blue Cross and Blue Shield of Florida.

Dependiendo de los términos específicos de la cobertura, es posible que usted pueda beneficiarse del programa o de la red Tradicional de Proveedores de Seguros de BCBSF. Si un proveedor no aparece en la lista de proveedores PPO en este directorio, usted puede llamar al número telefónico que aparece en su tarjeta de asegurado para saber si el proveedor es un proveedor del programa Tradicional.

## Certificación de Admisión al Hospital

Si en algún momento usted llega a necesitar atención hospitalaria, su médico puede hacer los arreglos necesarios con Blue Cross and Blue Shield of Florida para la certificación de admisión al hospital de la red, y así mismo coordinará su estadía y tratamiento en el hospital. La coordinación del cuidado de su salud a través de su proveedor PPO y la utilización de los hospitales de la red le ayudarán a disminuir los gastos que usted debe pagar de su propio bolsillo. Si usted acude a un proveedor no participante en la red, asegúrese que BCBSF le expida con anticipación la certificación de admisión al hospital, con el fin de evitar el pago de multas financieras significativas.

# Aviso Importante con Relación a los Proveedores

## **BCBSF y los Proveedores del Cuidado de la Salud**

Ni BCBSF ni ninguno de sus funcionarios, directores o empleados suministran servicios de cuidados de la salud a los asegurados. La función de BCBSF y de dichas personas es tomar decisiones relacionadas con la cobertura y los beneficios contemplados en este contrato. Al aceptar la cobertura y los beneficios de BCBSF, los asegurados aceptan que la toma de decisiones relacionadas con la cobertura y/o los beneficios no constituye una prestación de Servicios del Cuidado de la Salud, y que los Proveedores de los cuidados de la salud que suministran el servicio de cuidados de la salud no son empleados ni agentes de BCBSF. **A este respecto, por medio del presente documento BCBSF expresamente niega tener cualquier relación de agencia, real o implícita, con cualquier Proveedor de Cuidados de la Salud.**

Por el hecho de tomar decisiones relacionadas con la cobertura, los beneficios o el pago, BCBSF no ejerce ningún control ni dirección sobre los conceptos médicos o las decisiones clínicas de ningún Proveedor de Cuidados de la Salud. Las decisiones que tome BCBSF en relación con lo adecuado de un entorno, o con el concepto de si un servicio es Medicamento Necesario, se considerarán solamente con el propósito de determinar si dichos servicios están cubiertos, y no para efectos de

recomendar cualquier tratamiento o no-tratamiento. BCBSF tampoco asume responsabilidad alguna por cualquier pérdida o daño que surja como resultado de acciones u omisiones de cualquier Proveedor de Cuidados de la Salud.

## **Decisiones Médicas – Son Responsabilidad del Médico del Asegurado, No de BCBSF**

Todas y cada una de las decisiones que se requieran o que se relacionen con el criterio o capacitación médica profesional independiente, o con la necesidad de atención o suministros médicos, deben ser hechas únicamente por el asegurado, la familia del asegurado y el médico tratante del asegurado, de conformidad con la relación entre el médico y el paciente. Es posible que el asegurado o el médico tratante del asegurado decidan que un tratamiento determinado es necesario, adecuado o deseable, incluso cuando dicho tratamiento no tiene cobertura.

Este directorio no constituye un Certificado de Cobertura ni un contrato de seguros. Para obtener una descripción completa de la cobertura, los beneficios, las exclusiones y las limitaciones aplicables a usted, consulte su Certificado de Cobertura o Contrato.
