DRAFT

Meeting of the City of Hollywood Green Team Green City Designation Subcommittee August 12, 2008 -3:30 PM

I. ROLL CALL

Members Present:

Lee Gottlieb

Steve Feinzig

David Kout

Bob Shair

Gary Shlifer

Sam Uccello

Also Present:

Lorie Mertens-Black, Staff Liaison

Ali Park, Global Hollywood

II. GREEN CITY DESIGNATION DISCUSSION

Florida Green Assessment. Staff Liaison Lorie Mertens-Black explained that she had asked all City departments to submit an inventory of their green activities. Pat Macak, her administrative assistant, compiled the report presented to the Committee. The Committee is tasked with reviewing the report to see how close the City is to having enough points for designation.

Sam Uccello totaled the points and indicated the City is in the Gold range.

Habitat Certified Yard Process. Ali Parker, member of the Global Hollywood Network, explained the Habitat Certified Yard process. Lee Gottlieb indicated he would work with the religious institutions to get their properties certified.

Vice Chair Gary Shlifer stated verification is needed with back up to receive points. Sam Uccello recommended the subcommittee verify the information received and seek documentation where needed.

Lorie Mertens-Black asked all subcommittee members to select a couple of categories, review the activities where it is believed points are achievable, and let her know what documentation is needed. She will then forward a request to the appropriate department.

III. ADJOURNMENT

The subcommittee meeting adjourned at 4:20 p.m.
