MARINE ADVISORY BOARD
2022 GOALS AND OBJECTIVES

The Marine Advisory Board previously identified the following goals and objectives:

- Continue to advocate for Hollywood Marina infrastructure improvements.
- Research, plan, and conduct a Youth Fishing Derby and Cardboard Boat Races.
- Promote and increase awareness of participation with residents and students regarding Marine industry opportunities.
- Continue monitoring sea level rise effects on sea walls and give input Issues.
- Continue to research anchoring options in North and South Lake.
- Actively support Waterway Clean-up activities.
- Review existing Waterway Masterplan.

EXPECTED ACCOMPLISHMENTS 2022

The Marine Advisory Board expects to:

- Attend joint meetings and Marine Summits as they occur to promote Hollywood's involvement in their waterways and become proactive on Marine issues.
- Actively support Waterway Clean-up activities.
- Promote the youth fishing derby and Cardboard Boat Races Event.
- Promptly fill any vacancies by actively recruiting new members to the Board.

ISSUES 2022

The Marine Advisory Board is concerned with the following issues:

- Legislation on anchoring and how it will and is affecting the Marina and waterways in Hollywood, including dinghy docking.
- Concerns about sea level rise and the effects.
- The condition of private seawalls adjacent to the city's waterways.
- The visual appearance of private properties adjacent to the city's waterways.
- Maintenance and upkeep of the public beach and the city's waterways.
- Aging infrastructure of City Marina facility.
- Monitor ordinance changes affecting ocean and waterway environment.
