HOLLYWOOD FIRE/RESCUE & POLICE TO JOIN WITH BLUE ANGELS TO RECOGNIZE MEMORIAL REGIONAL HOSPITAL HEALTHCARE HEROES

Drive-by slated for 1:00 p.m. to coincide with Blue Angels Flyover

HOLLYWOOD, FL – In conjunction with today's Blue Angels flyover of hospitals stretching from Boca to Miami, the Hollywood Fire Rescue & Hollywood Police Departments would like to recognize the efforts of the healthcare workers at Hollywood's Memorial Regional Hospital, 3501 Johnson Street, with a drive-by salute to these healthcare heroes today, Friday, May 8th at 1PM.

In a show of solidarity and encouragement, Hollywood Police and Fire crews will display their gratitude by driving in front of the Memorial Regional emergency room entrance located just west of 35th Avenue on Johnson Street with lights flashing and sirens sounding to salute the men and women who have given so much during this coronavirus health crisis. The units taking part in this celebration of Memorial Regional staff, doctors and nurses will meet in front of Hollywood Hills United Methodist Church 400 N 35th Ave. at approximately 12:50 hrs. This will allow them to arrive at Memorial Regional Hospital at approximately 1:00 p.m. to honor the staff just prior to the scheduled flyover by the world famous Blue Angels.

The media is invited to cover this recognition by Hollywood's first responders of the dedicated service and excellent medical care the staff at Memorial Regional Hospital and Joe DiMaggio Children's Hospital have provided to the community during this public health crisis.

NOTE: See attached route for drive-by and flyover.
