Forfeiture actions were not filed, in the other cases, because there was a high balance owed on the vehicle, the vehicle was not recommended to keep, the case was settled or it was not cost effective to litigate or the judge found no probable cause for the seizure and there was an innocent owner of the vehicle. The Forfeiture actions were handled by City of Hollywood Police Legal Advisor Vanessa Maiorana.

Citizen Complaints:

During this time period, six (6) allegations of Biased Based Profiling were filed with the department, and each complaint was investigated pursuant to agency policy. See below for each type of contact which led to the complaint and the complaint's investigative outcome:
