I understand that payments are due by the current bill due date specified on the bill, and that the City assesses a late payment penalty on the past due portion of the bill. Failure to pay will result in my service being disconnected and my account being assessed a service disconnect fee. I hereby certify that I have read and agree to the information on the reverse side of this form regarding customer deposits. When I close my account, I authorize the City of Hollywood, Florida, to reduce my deposit by any outstanding amount on my account prior to refunding it to me. I understand that the City will only refund the deposit to the person lawfully entitled to receive it, upon proper identification if requested. I understand that it takes about three weeks after final charges are posted for deposit refund checks to be processed and mailed. I am responsible for providing a forwarding address to the City. I understand that pursuant to Section 51.071 of the City's Code of Ordinances, I am required to keep physical access to the water meter located on my premises free and clear of debris and other obstacles so the City can access the meter. I further understand that if I do not provide such access to the City, I can be subject to a Code Enforcement violation and/or citation and the procedures set forth in Chapter 36 of Hollywood's Code of Ordinances related to such violations. In addition, the City has the right, upon 10 days written notice, to take any reasonable physical action to secure access to the meter and remove obstacles, including breaking any lock, removing any gate, and restraining or subduing any dog or other animal that prevents, interferes with or otherwise impedes access to the meter. The City shall not be held liable for damage to the property as long as the City makes a reasonable effort to minimize such damage. Any reasonable expense incurred by the City in securing access to its water meter shall be the responsibility of the property owner and, if not paid, shall constitute a lien on the property.

I understand that a \$20.00 application fee will be billed to my Utility Account and appear on my first Utility Bill.

ABOUT YOUR DEPOSIT: The City of Hollywood requires that every utility customer pay a deposit upon opening or re-establishing an account with the City to guarantee payment on the account for water and/or sewer service rendered. A deposit is required for every location serviced by the City. Customers with more than one utility account (i.e., with multiple service locations) are required to provide a deposit for each account. Deposits earn interest annually at the average annual rate earned by the City on its pooled investments. Deposits are refunded to the customer upon closing an account less any amount owed to the City. The refund is paid by check and is typically mailed within three (3) weeks of the final meter reading on the account. The customer is responsible for providing a forwarding address to the City.

The deposit shall in no way be construed to preclude the City of Hollywood from discontinuing any and all water services to the service location in the event of default on payment of any indebtedness for water and sewer service rendered to the premises, regardless of whether or not the amount of the deposit is sufficient to cover the delinquent amount.
