Keeping Our Customers Safe is Our Top Priority

OUR COVID-19 RESPONSE

SANITATION
We are following CDC requirements for disinfection & sanitation of all public spaces and surfaces.

OCCUPANCY
Indoor capacity is limited to 50% occupancy and staff and customers must stay six feet away from others. Loitering/lingering in the entrance is not allowed.

STAFF
Employees are not allowed to report to work if feeling ill. Staff are required to wear facial coverings at all times, maintain social distancing, wash hands frequently and wear gloves if preparing food.

SAFETY
To limit the potential for exposure, we are providing hand sanitizer for customers, have reduced shared common spaces and items, and are sanitizing frequently touched surfaces.

CUSTOMERS
All customers must wear facial coverings (unless eating or drinking) and maintain social distancing of at least six feet from other parties.
