On May 29th, just before 7 p.m., Hollywood Police officers working the beach heard gunfire near Johnson Street. Officers in the area and those responding to the scene found multiple people with gunshot wounds. Officers immediately began rendering aid and victims were transported to Memorial Regional Hospital and Joe DiMaggio Childrens Hospital. In total, there were 9 victims. Four were minors (ages 1-17) and 5 were adults (ages 25-65). Of the 9 victims, three have been treated and discharged, six others remain at the hospital in stable condition.

Preliminary information gathered suggests there was an altercation between two groups of people, which resulted in gunfire. HPD officers were able to detain individuals after the shooting. While those detained were not identified as the shooters, two were arrested for firearms charges.

As of this morning, 5 handguns were recovered. Two of those handguns were stolen. One handgun was reported stolen from Texas, the other from Miami Dade.

The Hollywood Police Department is currently looking to identify three people we believe are involved in yesterdays shooting (pictures are attached in email). We are asking the community, if you know who the three pictured may be, please contact police.

If anyone has information in reference to this incident, please contact the Hollywood Police Department at 954-764-4357(HELP) or 954-967-4567. Tipsters can e-mail or text any video or photos they may
